Our purpose is to promote a unique experience of choice, lifestyle and belonging for all people as they age.

Our services span across Australia servicing Residential Aged Care Centres, Retirement Villages, a dedicated Respite Centre, and Salvos Home Care.

We offer support that suits your stage of life, whether you need help in the comfort of your own home, want to enjoy a maintenance-free lifestyle in one of our vibrant retirement communities, or require 24 hour care in one of our Aged Care Centres.

To book a tour, or to enquire about any of our services, contact us on **1300 111 227** or visit our website at **agedcare.salvos.org.au**

We understand that at times, taking care of an elderly loved one can be physically and emotionally demanding.

Respite care is short-term care that we offer to older people, either in their own home or in one of our residential aged care centres.

It is a great option when the regular carer needs a break or has to attend to other tasks; for post hospitalisation care or as temporary accommodation while permanent care arrangements are being finalised.

Respite Care is available in all The Salvation Army Aged Care Centres nationwide. The Salvation Army Aged Care also runs Burrangiri Aged Care Respite Centre dedicated to adult day care and overnight respite stays in ACT.
