RE: Warriewood Square Shopping Centre

Dear All,

You are no doubt aware that we monitor any increase in community transmission of COVID-19 that may impact our residents.

Therefore, we ask that those of you who may have been in the Warriewood Square Shopping Centre between 12:30pm to 2:30pm on Saturday, 29 August, including Kmart, Coles, Aldi and the food court please monitor your health as there is now a confirmed case of someone who visited that location.

If you have been there at that time, as a precaution, we suggest that you may wish to have a COVID-19 test and self-isolate while awaiting the results.

Also, as a precautionary measure, the Warringah Place Village bus will visit Warringah Mall on Thursdays for food shopping for the balance of the month of September.

Please get in touch with your Village Manager or me if you have any questions or concerns.

Kind regards,
