RE: A COVID-19 UPDATE

Dear All,

We have been advised by the Western NSW Local Health District that there are now 2 confirmed cases of COVID-19 in Parkes Shire.

Therefore, we ask that those of you who may have been outside your village in Parkes to please monitor your health as there are now confirmed cases in this location.

If you have symptoms of respiratory illness including a cough or a cold, or if you have a fever or have lost your sense of taste or smell, we ask that you do not visit the Centre if you are permitted to do so. Speak to your General Practitioner or call the National Coronavirus hotline on 1800 020 080. Please also advise your Village Manager.

If you wish to access the drive-through COVID-19 clinic in Parkes, the address is: Northparkes Oval, off Alexandra Street. The clinic will be in operation:

- 9am - 5pm, Thursday 3 September
- 9am - 5pm, Friday 4 September

Please get in touch with your Village Manager, Phil Snow, or me if you have any questions. Phil can will assist with the process and any concerns you may have.

Kind regards,

A handwritten signature in black ink that reads 'William Crowley'. The signature is fluid and cursive, with a large loop at the end.
