RE: NEW SOUTH WALES COVID-19 UPDATE

Dear All,

Recently, we wrote to you about the use of surgical masks in home care due to an increase in community transmission of COVID-19 in Melbourne and Mitchell Shire. As there has been an increase in community transmission of COVID-19 in New South Wales, our home care staff who work and/or live in the following suburbs in New South Wales will now also be required to wear a mask at work until at least the end of July.

Fairfield, Liverpool, Campbelltown, Camden, Wingecarribee and Wollondilly.

Given this increase in transmission of COVID-19, we received an update from NSW Health in relation to this as extracted below. We are requesting that you be aware of the following information and if you have been in one of these venues on the stated days that you get tested for COVID-19:

- **Crossroads Hotel, Casula:** 3-10 July (people who attended the Crossroads Hotel during these dates are advised to immediately self-isolate until 14 days after they were last there and attend a clinic for testing even if they have no symptoms)
- **Picton Hotel:** 4, 5, 9, 10 July
- **Planet Fitness, Casula:** 6 - 10 July
- **Star City Casino:** 4 July (8:00pm - 10:30pm)
- **Canterbury Leagues Cub:** 4 July (11:00pm - 1:00am)
- **Narellan Town Centre Shopping Town** (Kmart, Target, Best & Less, H&M and food court): 6 July
- **Zone Bowling, Villawood:** 27 June (11:00am – 3:00pm)
- **Cook, Kurnell:** 5 July (11:30am - 12:30 pm)
- **Highfield, Caringbah:** 5 July (6:00pm - 9:00pm)
- **Merimbula RSL:** 6 July (6:00pm - 9:00pm)
- **Waterfront Café, Merimbula:** 7 July (8:30am - 9:30am)
- **Murray Downs Golf Club:** 4-5 July

We understand that the situation is changing rapidly given the nature of COVID-19 and we appreciate your help in continuing to maintain good hand hygiene and physical distancing. Please ensure you notify us if you are feeling unwell, and have even the most minor of symptoms. Should you have any questions, please speak to your Care Coordinator.

Kind regards,

Fiona Sanders
