Dear All,

The Victorian State Government has issued new public health advice with regards to hotspots in the State of Victoria. They have identified several suburbs which will be placed in a lockdown as of tonight night at 11:59pm and until 29 July 2020. If you live in one of the following postcodes, you will not be permitted to leave except for work, exercise, shopping for essentials or if you are required to give or receive care. The postcodes of these suburbs are as follows:

- **3012:** Brooklyn, Kingsville, Maidstone, Tottenham, West Footscray
- **3021:** Albanvale, Kealba, Kings Park, St Albans
- **3032:** Ascot Vale, Highpoint City, Maribyrnong, Travancore
- **3038:** Keilor Downs, Kielor Lodge, Taylors Lake, Watergardens
- **3042:** Airport West, Keilor Park, Niddrie
- **3046:** Glenroy, Hadfield, Oak Park
- **3047:** Broadmeadows, Dallas, Jacana
- **3055:** Brunswick South, Brunswick West, Moonee Vale, Moreland West
- **3060:** Fawkner
- **3064:** Craigieburn, Donnybrook, Mickelham, Roxburgh Park, Kalkallo

For residents and staff, we ask that you take note of the increased testing and surveillance taking place in these suburbs and to not travel to them for the next 4 weeks as a precaution. We understand that this might be an inconvenience but the health and wellbeing of our residents and staff is our utmost priority. If you notice that you have any signs of a respiratory illness such as a cough, a runny nose, shortness of breath or the loss of taste or smell, please notify your Centre Manager. We ask that you stay at home if you feel unwell. Thank you for your understanding and continued support at this time.

Should you have any questions or concerns, please speak to your Centre Manager.

Kind regards,
