Aged Care

Welcome

The Salvation Army has been providing aged care in Australia since 1899. Our purpose is to promote a unique experience of choice, lifestyle and belonging to all people as they age.

Our difference

- Person-centred model of care
- Dedicated and qualified staff
- A government accredited provider that you know and trust
- Pastoral and chaplaincy services available
- As a not-for-profit, any additional funds go to support the most vulnerable in the community.

Life in our centre

Bethesda Aged Care Centre offers a supportive lifestyle in a vibrant community setting. We have a range of single rooms with sunny, external views designed with residents' comfort and security in mind. The Centre is only five minutes away from the Rockhampton City Centre and local services.

Our staff and chaplains go beyond clinical needs to cater for the physical, emotional and spiritual well-being of our residents. We operate on the principles of person-centred care, where we learn what is important to each individual and provide a range of programs tailored to these preferences.

We offer choice and diversity for all residents to ensure that their quality of life is maintained at an optimum level. We also recognise the importance of family and friends so we welcome them to be an active part of our community. We actively engage with the local community and provide a wide range of recreational activities.
