Aged Care

Welcome

The Salvation Army has been providing care in Australia since 1880. The Salvation Army Aged Care's purpose is to promote a unique experience of choice, lifestyle and belonging for all people as they age.

Our difference

- Holistic and person-centred care
- Caring, qualified and experienced staff
- Family atmosphere and a strong sense of community
- Pastoral and chaplaincy services available
- A government accredited provider that you know and trust.

Life in our centre

Kubirri Aged Care Centre provides the best of both worlds. The Centre is in the beautiful town of Mossman with the Mossman River as a backdrop, views of open farmlands and is yet only a couple of minutes away from the town centre, hospital and local attractions.

The 42-bed home has a warm community feel with bright sunny rooms, large open plan communal areas and lovely sensory gardens. The Centre also leads the way with a sustainable design to minimise our environmental footprint.

Our staff go well beyond the clinical needs to cater for the physical, emotional and spiritual wellbeing of our residents. We learn what is important to each individual and provide a wide range of programs to help our residents live their best lives.

We recognise the importance of family and friends to our residents' wellbeing and encourage them to be an active part of our community.

We have strong ties with the community, often taking part in community activities and events. Over time, we have built a credible reputation as an organisation that genuinely cares for others without discrimination.

Our care team

Kubirri Aged Care Centre is led by the Centre Manager. Together with our Care Manager, Chaplain, Registered Nurses, team of specialists and care staff, we ensure that every resident is safe, comfortable and loved.

We offer residential care including:

- **Permanent and respite (short-term) care**
