

“I have been at Seaforth Gardens for 5 years. I live in a loving environment with plenty of choices for activities if we wish to participate. There is no other place I would rather be.”

Aged Care

Welcome

The Salvation Army has been providing aged care in Australia since 1899. Our purpose is to promote a unique experience of choice, lifestyle and belonging to all people as they age.

Our difference

- Person-centred model of care
- Dedicated and qualified staff
- A government accredited provider that you know and trust
- Pastoral and chaplaincy services available
- As a not-for-profit, any additional funds go to support the most vulnerable in the community.

Life in our centre

Seaforth Gardens Aged Care Centre offers a supportive lifestyle in a community setting. We are open to anyone requiring residential aged care, particularly those who are marginalised and homeless, or at risk of becoming homeless.

Our staff and chaplains go beyond clinical needs to cater for the physical, emotional and spiritual well-being of our residents. We operate on the principles of person-centred care, where we learn what is important to each individual and provide a range of programs tailored to these preferences.

These programs are designed to uphold the well-being and dignity of our residents and support them in leading a healthy and independent lifestyle. We also recognise the importance of family and friends so we welcome them to be an active part of our community. We regularly engage with the local community and provide a wide range of recreational activities.

Our home is designed for residents' comfort, security and sense of belonging. We are conveniently located so that we're close to public transport, shops and local services.
