Welcome

The Salvation Army has been providing aged care in Australia since 1880. Our purpose is to promote a unique experience of choice, lifestyle and belonging to all people as they age.

Our difference

- Holistic and person-centred care
- Caring, qualified and experienced staff
- A strong sense of community
- Pastoral and chaplaincy services available
- A government accredited provider that you know and trust.

Lifestyle

The Cairns Aged Care Centre at Chapel Hill offers a supportive lifestyle in a comfortable home with a strong sense of community. Our modern home is designed by industry experts and has a wide range of spacious single and interconnected couples room options to suit different needs and tastes, as well as generous communal and recreational areas. We have views of the surrounding mountains and greenery, while still being close to public transport, local services and the Brisbane city centre.

You can trust our staff to go well beyond clinical needs to cater for the physical, mental, emotional and spiritual wellbeing of our residents. We take time to learn what is important to each individual and provide a range of programs tailored to help them live their best lives. Respect, dignity and choice are at the heart of all that we do.

Residents, their families and the local community are critical partners in enhancing the quality of care and wellbeing at The Cairns Aged Care Centre at Chapel Hill.
