

# Holistic care that's all about *you*

## Welcome

The Salvation Army has been providing aged care in Australia since 1880. Our purpose is to promote a unique experience of choice, lifestyle and belonging to all people as they age.

### Our difference

- Holistic and person-centred care
- Caring, qualified and experienced staff
- A strong sense of community
- Pastoral and chaplaincy services available
- A government accredited provider that you know and trust.

## Lifestyle

Carpenter Court Aged Care Centre offers a supportive and vibrant lifestyle in a comfortable, home-like setting designed to enhance residents' sense of security and belonging. We have a wide range of single room options to suit different needs, tastes and budgets.

The Centre is right opposite Merewether Beach, offering majestic ocean views, and is close to shops and local services. We are open to anyone requiring aged care, including those who are marginalised or vulnerable in the community or have complex needs.

You can trust our staff to go well beyond clinical needs to cater for the physical, mental, emotional and spiritual wellbeing of our residents. We take time to learn what is important to each individual and provide a range of programs tailored to help them live their best lives. Respect, dignity and choice are at the heart of all that we do.

Residents, their families and the local community are critical partners in enhancing the quality of care and wellbeing at Carpenter Court Aged Care Centre.
