

Holistic care that's all about *you*

Welcome

The Salvation Army has been providing aged care in Australia since 1880. Our purpose is to promote a unique experience of choice, lifestyle and belonging to all people as they age.

Our difference

- Holistic and person-centred care
- Caring, qualified and experienced staff
- A strong sense of community
- Pastoral and chaplaincy services available
- A government accredited provider that you know and trust.

Lifestyle

Woodport Aged Care Centre offers a supportive and vibrant lifestyle in a comfortable, close-knit community setting. Designed with residents' sense of belonging in mind, we have a range of spacious room options, landscaped courtyards and our very own koi pond and teahouse. We are also located close to Erina Fair Shopping Centre, Terrigal Beach, and public transport access is right outside the Centre.

You can trust our dedicated staff to go well beyond clinical needs to cater for the physical, mental, emotional and spiritual wellbeing of our residents. We take time to learn what is important to each individual and provide a range of programs tailored to help them live their best lives. Respect, dignity and choice are at the heart of all that we do.

Residents, their families and the local community are critical partners in enhancing the quality of care and wellbeing at Woodport Aged Care Centre.

Aged Care

Care team

Woodport Aged Care Centre is led by the Centre Manager. Together with our Care Managers, Chaplain, Registered Nurses, team of specialists and care staff, we ensure that every resident is safe, comfortable and loved.

Our residential care includes:

- Permanent and respite (short-term) care
- Memory support and palliative care.

"I was very nervous about going into a nursing home. After two days at Woodport Aged Care Centre, I totally changed my feelings about aged care homes. I would recommend Woodport Aged Care Centre to anyone and I've been telling my friends how much I love it here."
